

## Campus Career Staff Recruitment Summary

### Top Positions Filled by External Hires in 2005

**Notes & Sources**

External Hires include contract, limited, and career filled appointments.

Data is based on a November 1st through October 31st time period and includes only campus career appointments.

The data is taken from the Greentree database and reflects completed information submitted to HR by hiring departments.

External Hires are new employees who did not have a previous appointment with the University.
