How to Choose UCI Health

As you consider your healthcare options, make sure you choose a medical plan that includes the physicians of UCI Health. UCI Health physicians participate in the following UC plans:

- UC Blue & Gold HMO
- UC Care (PPO)
- UC Health Savings Plan (PPO)
- Core

Health Net Blue & Gold

As an HMO, UC Blue & Gold HMO, administered by Health Net, asks its members to choose one primary care physician to direct and manage their care. Members are asked to select a physician at the time of enrollment, but can change physicians during the year if needed.

There is one UCI Health medical group available to employees under UC Blue & Gold HMO:

UCI University Physicians & Surgeons

- Locations in Anaheim, Costa Mesa, Irvine, Laguna Hills, Newport Beach, Orange, Santa Ana, Tustin, Yorba Linda
- Same-day and telemedicine appointments available.
- Walk-in and after-hours care at some of our locations — no appointment necessary.

PPO Plans

UC Care, University of California Health Savings Plan and University of California CORE Plan are PPO plans. You are not required to select a primary care physician under these plans.

For more information about how to choose UCI Health, call 844-310-9750. For information about your employee health benefits, visit ucnet.universityofcalifornia.edu
