

FALL 2023 CO-WORKER EXPERIENCE SURVEY

WE WANT TO HEAR ABOUT YOUR EXPERIENCE WORKING AT UCI/UCI HEALTH.

Your feedback helps us refine current staff programs and create new programs.

TAKE THE SURVEY

DECEMBER 4 – DECEMBER 18

The Co-Worker Experience survey is sent to a random sample of the UCI co-worker population who have been employed at UCI or UCI Health for at least six months. Selected co-workers will receive an email on December 4, 2023. Please watch your email!

Not sure if you have been selected to take the survey? Go to the survey using the QR code or the URL below, and login with your UCINetID. If you have been selected, the survey will open for you. If you have not been selected, the survey will not open, and you will be included in the random selection process for the next experience survey opportunity.
