

UCI ENGAGEMENT AMBASSADOR PROGRAM

The UCI Engagement Ambassador program brings together and organizes staff volunteers that help foster and drive staff engagement within their local unit/department and across UCI. These staff members are champions for engagement who want to:

- Make a difference
- Create an engaged culture
- Foster change

ENGAGEMENT AMBASSADOR ROLES & RESPONSIBILITIES

- **Promote** UCI engagement campaign programs, resources, and staff events within their departments.
- **Support** and participate in engagement-related events throughout the year.
- **Encourage** staff participation in recognition and engagement activities and programs. These activities include but are not limited to: Empowered to Make a Difference events, Bright People Brilliant Solutions, Staff Engagement Survey, Staff Service Awards, ARIISE Awards, Staff Picnic, Hospital Week, UCI Health Holiday Event, etc., as applicable to your location/department/team.
- **Champion** employee engagement by getting employees involved, setting the example of engagement, and initiating engagement activities.
- **Attend** exclusive Engagement Ambassador events, trainings, and meetings.
- **Commit** to serving a two-year term.

BENEFITS

- **Make a difference** by creating an engaged culture within your local area and driving engagement throughout UCI.
- **Lead** by example through various engagement initiatives by providing guidance, resources and information.
- **Grow** professionally through skill-building in communication, networking, and marketing.
- **Build** lasting peer and professional relationships through collaboration with co-workers and other engagement ambassadors across UCI.
