# SIGNING-IN

Step #	Directions	Visual Example
1	Sign on using Single-Sign-On. <a href="#">Link to JDX</a>	
2	Select "University of California, Irvine".	
3	Log in to VPN using your UCInetID.	

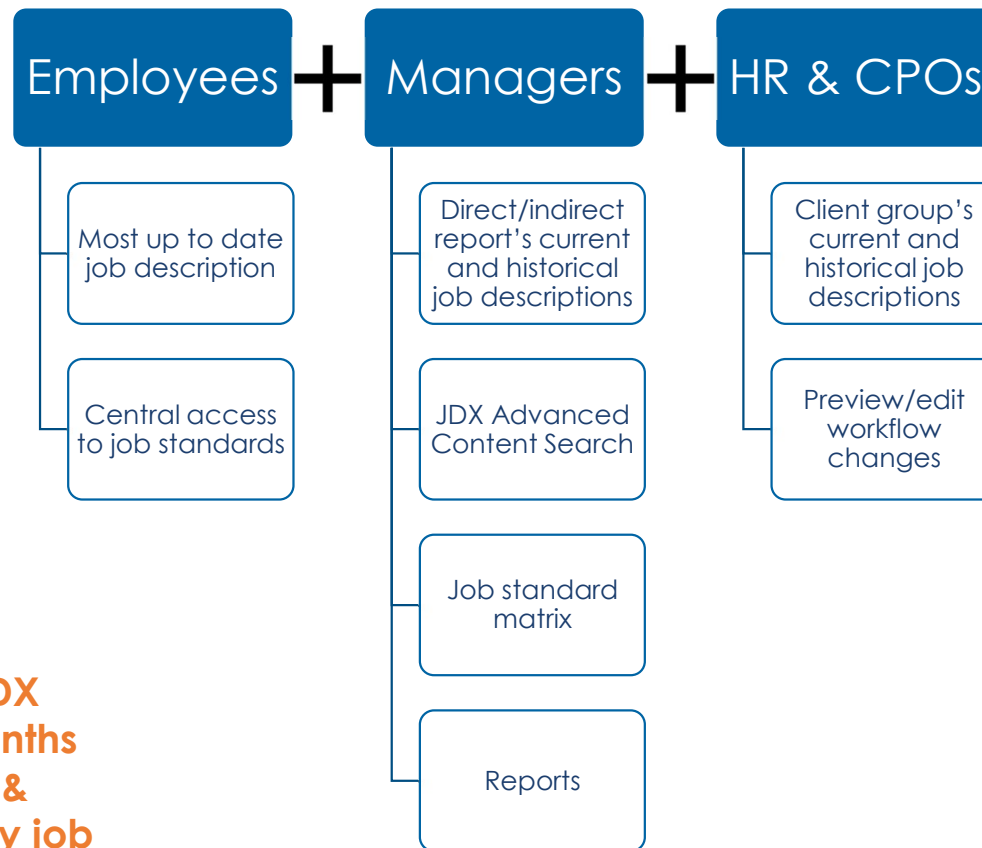

# SETTINGS/NOTIFICATIONS, MENU, & QUICK LINKS

Navigation	Visual Example
<p>Notifications, settings and log out buttons.</p> <p>Settings and customizations are very robust.</p>	
<p>Menu Options &amp; Quick Links</p> <p>Most JDX functions can be found under the blue menu on the left or the Quick Links on the right.</p> <p>Depending on the user's access, more or less functions will appear under Quick Links. The image on the right reflects the average functions that a manager will see.</p>	

# TASKS

Navigation	Visual Example
Tasks – Double Click	 A screenshot of a user interface showing a task notification. At the top, there is a header with a red circle containing the number '1' followed by the word 'Tasks'. Below this is a search bar with a magnifying glass icon and the word 'Clear'. A message box with an orange border contains the text 'Please Review: Compensation Analyst 3'.

# ACCESS

**Employee's access to JDX will be delayed for 9 months after launch to allow HR & CPOs time to add legacy job descriptions into JDX**
